COMMONWEALTH OF VIRGINIA  
STATE CORPORATION COMMISSION

AT RICHMOND, JUNE 6, 2001

APPLICATION OF

WOODLAWN COMMUNICATIONS, LLC

CASE NO. PUC010110

For a certificate of public  
convenience and necessity  
to provide local exchange  
telecommunications services

ORDER GRANTING MOTION TO CHANGE PROCEDURAL DATES

On April 30, 2001, Woodlawn Communications, LLC ("Woodlawn" or "Applicant"), filed an application with the State Corporation Commission ("Commission") for a certificate of public convenience and necessity to provide local exchange telecommunications services throughout the Commonwealth of Virginia. In its May 25, 2001, Order for Notice and Hearing, the Commission set the matter for hearing on July 31, 2001, at 9:30 a.m.

On June 1, 2001, Woodlawn filed a Motion for Change in Procedural Dates in the above-captioned matter. In support of its Motion, Woodlawn states that the Commission's May 25, 2001, Order was not postmarked until May 30, 2001, and not received by its counsel until the afternoon of May 31, 2001. In its Order of May 25, 2001, the Commission set forth a procedural schedule

that required Woodlawn to render notice to certificated local exchange and interexchange telephone carriers in Virginia, and classified advertising notice was to be published in newspapers having general circulation throughout Woodlawn's proposed service territory by May 31, 2001. In its Motion, Woodlawn states that due to the delayed receipt of the Order it is impossible to comply with the procedural schedule as set forth in the May 25, 2001 Order. Woodlawn requests that the procedural schedule in this case be revised to allow time for the Applicant to effectuate publishing of said classified advertising notice and notice to certificated local exchange and interexchange telephone carriers in Virginia.

NOW THE COMMISSION, having considered the matter, is of the opinion that Woodlawn's Motion is reasonable and should be granted.

Accordingly, IT IS ORDERED THAT:

(1) The procedural schedule in this proceeding shall be revised.

(2) The July 31, 2001, hearing date shall be retained for the purpose of hearing testimony from any public witnesses.

(3) Woodlawn's request for an extension of time to publish notice of its application and to give notice of the application to all certificated local exchange and interexchange carriers in Virginia is granted, and the date for completion of publication

of the notice and notice to other carriers is extended from May 31, 2001, to June 8, 2001.

(4) The date for filing of comments on the application is extended from June 20, 2001, to June 28, 2001.

(5) The date for filing of Notices of Protest is extended from June 20, 2001, to June 28, 2001. The date for filing Protests and protestant testimony is extended from June 25, 2001, to July 3, 2001.

(6) The date for filing of Staff report and Staff testimony is extended from July 17, 2001, to July 25, 2001.

(7) The date by which Woodlawn may file rebuttal testimony with the Commission is extended from July 24, 2001, to July 27, 2001.

(8) The date by which Woodlawn must file proof of notice/service with the Commission is extended from June 29, 2001 to July 9, 2001.

(9) All other provisions of our May 25, 2001, Order for Notice and Hearing shall remain in effect.
